Donors >>>

In January 2010, Living Waters embarked on the next phase of life by becoming its own non-profit 501(c)3 corporation and stepping out on its own. The Living Waters Board of Directors has worked very diligently to streamline the business so that we can successfully focus on what matters; being an outdoor ministry facility that is dedicated to mission through Jesus Christ, for Jesus Christ.

While the first year was more successful than anticipated, it is far from being the outdoor ministry facility it could be. With 45 years of a camping tradition, thousands of people have been touched by Living Waters and the programming provided and now we need your help. By becoming a "Friend of Living Waters" you can help the camp to grow and touch the lives of thousands more.
