Living Waters Camp and Conference Center

What We Have to Offer

Living Waters is a 150 acre facility that features a variety of natural settings and accommodations perfect for all of your church or organizational needs.

Our crystal clear Artesian well welcomes campers and guests as it flows into our man-made pond that lazily flows into Shawnee Creek that runs the length of our property. This is the ideal setting for environmental education programs, refreshing on a hot summer day, or relaxing to the quiet sounds of a clear evening.

The historic White House looks out over the camp creating a home-like atmosphere. The newly renovated building has up-to-date bathrooms and can accommodate 20 people. Make your own meals in the kitchen featuring new appliances and then enjoy your feast in the spacious dining room. When you have finished, relax by the majestic fireplace in the living room. This facility is available between May and August.

A spacious meadow spreads out along the valley floor from the creek. The meadow is home to a wide range of sports and recreation fields such as baseball, basketball, volleyball and soccer. Eight cabins that each sleep 12 people outline the meadow and playing fields. The cabins and bathhouses are heated and available April to November.

At the heart of the camp is the dining hall and lodge. Our multi-purpose dining hall and meeting room can seat 120 people. It has wifi and audio and video capabilities and a beautiful stone fireplace for the comfort of our guests.

The Lodge can sleep 30 people with rooms that can accommodate 2 or 3 people. Small groups can meet in the great room and relax in front of its distinctive stone fireplace. This building is fully handicap accessible and is wifi capable.

For those looking to get back to nature, the hills around the meadow are covered in lush forests. Our rustic Pioneer Area, nestled in these hills, features hogans, a pavilion and restrooms complete with shower facilities. This site, also designed with RV hookups and places to pitch tents, is perfect for getting away from the hustle of modern life.

Each area has complete restroom facilities and an outdoor meeting place perfect for campfires, Bible studies or sing-a-longs.

Living Waters Philosophy and Purpose

Statement of Philosophy

“We are called to mission through Jesus Christ, for Jesus Christ. This mission requires life-long awareness and growth in spiritual, intellectual, physical and environmental education. Our outdoor ministry facility is a place where we can contribute as sojourners and missionaries of enrichment, outreach and service.”

Statement of Purpose

“Our outdoor ministry facility is an extension of the ministry of the local church with programs for patrons of all ages. These programs provide for Christian enrichment, education and growth, and offer opportunities for environmental education. Programming at *Living Waters* promotes and enhances physical growth and wellness, and provides various opportunities to live in Christian community.”

Programs and Rentals

Programs

Each summer, Living Waters hosts a wide variety of summer camp programs for youth and adults. Most camps run for one week, beginning in July and ending in August. Some of our popular camps include canoeing and swimming at near-by Shawnee State Park, archery, sports, low-ropes team building and outdoor education. We also offer a number of weekend retreats throughout the year for various ages.

Rental

While anyone can participate in our programs, we also offer rental to outside groups to create and provide your own programming and we simply provide the facility for you to do that. The choice is yours.
